DARRYL MILLAR

Darryl,
Did I spell your name right? It is very difficult to spell. It can be spelled in the following ways, please take note, Darrell Darryl, Darryll, Darel, Darell, Daryl, Darryll. I must admit, some of these forms are archaic. The use of the "i" was dropped because it was hard for cave men to dissell dots! But that's irrelevant. Have a fun summer and I wish you luck in the years to come!
Yours,
Leslie

P.S. It's hard to write through the ditch in your door!

Darryl,
It's finally over. I enjoyed myself very much in your class. Sometimes we got off the topic, but that was just not as fulfilling as that of the controversial subjects. I'm glad we had to work together, and get to speak with the [illegible] I don't [illegible] Good luck in [illegible] Maybe I'll see you around sometime. Have a nice summer.
Sincerely,
Unfortunately, I'm useless

↓ DARRYL,
I'm GLAD WE WERE IN A CLASS TOGETHER THIS YEAR BUT I'm SORRY IT WASN'T ONE WE COULD GET KNOW EACH OTHER BETTER IN. YOU ARE JUST A SUPER GUY, INSIDE AND OUT. I KNOW YOU'LL DO WELL IN WHAT EVER YOU DECIDE FOR YOUR FUTURE. YOU HAVE SO MUCH GOING FOR YOU.

GOOD LUCK AT COLLEGE AND FOREVER. WHEN YOU COME HOME FOR HOLIDAYS, I WANT TO SEE YOU.

Darryl,

I would really like to party with you sometime. I've been meaning to tell you that I really admire your "low profile". Journalism has been a trip. I really don't think Mr. Rawls likes me, though. How's Noble Romans? There's a whole gang working there now. Oh well, keep in touch. Good luck in your future schooling.

Love always,

P.S.

Can't wait til June 7.

Darryl

Well slick this is the last and final time I'm signing this book so you might as well get it framed. The years have flown by and I could write a whole book on the adventures we have had, so ~~just~~ when you read this just think back and remember all of them since that day we had the fire drill in 9th grade up till this time. This year been a typical go ~~getthem~~ get-um-raisen-hell time that I've enjoyed and I am still you superior, even ~~though~~ though you were born first, so don't kick the bucket any time soon because I know I only get two hours to live when you die, I'm going to list a few past events so when ya read this 50 years from now you won't forget, Noble Romans - adventure #1, the tennis ball fights with the cars on Beaudare Rd., wild wolf that live next door, alligator hunting that's enough to refreash your memory in future years. I don't suppose you ever learned to party right but no use crying over spilled milk. Good luck in the land of queers and steers.

signing off for the last time

DEDICATION

How many times have you heard it said, " . . . It's how you play the game." Think about it; then look at Wolfson and find it personified by John W. Seymour. As athletic director, coach, and family man, he has contributed much to the welfare of each student in his true concern. No student can enter or leave Wolfson without meeting, knowing and admiring him. Our thanks to you, Coach Seymour, for making education and sports the joy you have made it.

Dear Darryl

I'm really glad we get to go out last summer. I'm sorry it didn't work out but it was great while it lasted. That was one of my best summers. I think that we have gotten to be really good friends and friendship means alot to me. I am going to miss you alot when we go off to college. I'm sure the girls will go crazy when you get to Texas. Darryl you have so much going for you, looks, brains, personality, and much more. I know you'll always succeed at anything you do. I hope you enjoy the rest of your summer and Good luck in whatever you do.

HOMECOMING WEEK

During the exciting week of Homecoming activities, football players, cheerleaders, students, teachers, and band members were all honored. Every day was wild and crazy . . . . . hats, twins, cowboys and Indians, red, white, and blue colors all had their day. The door decoration contest was won by 10-21; Alpha took the banner contest; JSA, Civinettes, and Anchor won the float contest and the Band took top honors at Skit night. The Seniors were again victorious in the annual Powder Puff Football game, winning 18-6. After all these preliminaries, The Big Pack was ready to ATTACK!

HOMECOMING DAY

The ball soared high in the air as the combatants rushed toward each other. The "Big Pack Attack" had begun. Sixty minutes later the mighty Wolfpack had defeated the Terry Parker Braves 35-14. At halftime the Homecoming Queen, Debbie Harris, escorted by Jeff Drake, was crowned. Lisa Honig, Terri Katz, Lisa Williams, Clare Foshee, Terri Ballard, Emily Banks, Catherine McCranie, Ellen Williams, Michelle Smith, and Lisa Alligood were chosen to be on the Homecoming Court. The night ended with a gala Victory Dance.

CIVINETTES

SUNSHINE TO OTHERS

"Those who bring sunshine to others cannot keep it from themselves."

That was the motto for this year's Civinettes. They kept up with this motto by hosting a Holloween and Christmas party for the Children's Home and took them to see Santa Claus.

They helped the community by wrapping Christmas gifts for Cancer Society and helped out with the Multiple Sclerosis Dance-A-Thon.

Besides serving others, they have lots of fun themselves. A surprise breakfast, mascot roast, luncheon, Alumni party, car wash, doughnut sale, fruitcake sale, and helping to build the winning Homecoming Float were just a few activities to keep them busy.

Civinettes has proved to be one of the best service clubs in our community.

JR. GIRLS

"LITTLE WOMEN"

Junior Girls began their activities for the year with the customary mascot roast. Then they moved into the first of many fund raising projects, a car wash that added to the club's treasury something everyone always needs, namely MONEY!

During the course of the year Junior Girls helped maintain school spirit by providing banners that helped decorate the gym. They participated in Homecoming by presenting a skit on Skit Night along with many clubs.

As a Christmas holiday project, Junior Girls went to the Baptist Children's Home and gave a party to approximately thirty children. Everyone, club members and children alike, had an enjoyable time.

Junior Girls had quite a few social activities also, two of which were a beach party and an end-of-the-year banquet.

The club members had an interesting year that combined a lot of fun and good times.

MATH

MU ALPHA THETA

The Math Club, whose new name Mu Alpha Theta, has had a very productive year. They went to Math Field Day in Coral Springs in February, and then attended a seminar in April. They also had an accountant from the Haskins & Sells Firm to come to speak with them about career opportunities in Math. For their major project they are raising money to buy a computer for the school to further education in computer math.

ORCHESTRA

"FINGER PLUCKING GOOD!"

Orchestra has been active this year participating in the County Fair, Christmas Concert, and End of the Year Concert.

Orchestra is made up of string instruments plus some volunteer band people on percussion and horns.

They raised their funds through a candle sale which paid for their music and instrument repair bills.

The Orchestra, under the direction of Ms. Laurie Ryer, is a fine cultural addition to the Wolfson family.

What can be said about one who has given endlessly to the people around her?

Alix Levy was Cultural Arts Chairman at Landon in 1975, President of the PTA at Landon and Vice President of PTSA at Wolfson in 1977, President of Wolfson PTSA at Wolfson in 1970, President of Wolfson PTSA and Honorary member of Landon and du-Pont's Board in 1978, and served for 4 months this year as President of Wolfson's PTSA before her untimely death. She will be greatly missed by everyone here at Wolfson.

SENATE

SWEET CHERUBS

This year Senate has been working very hard. They had a hat and jacket sale in which they did quite well. Senate planned the activities that we had during Homecoming, such as hat day, red white and blue day, and jersey day, cowboy and indian day, and the door decorating contests.

Senate has tried to make Wolfson a school which you can be proud of. Mrs. Brewster has helped them achieve this goal since the 1965-66 school year.

SOPH. GIRLS

MUNCHKINS

We now bring this meeting to order!!! 1st on the agenda — Mascots — who do you think? Robbie Brust? Sounds real good! Mike Giverson? It's not complete without him! How 'bout Kevin Whitlow? Yeah! Not bad! Steve Hummell? Excellent choice. There were others mentioned but only four could be selected.

Sophomore girls had a dinner and then selected their mascots! They also had a Christmas party at Robbie Brust's house, in which they exchanged gifts.

As we leave sophomore girls we will always remember our motto: We are sexy, we are fun, wer're the class of '81!!!

Through good coaching from Coach Grant and the other coaches, and the team effort they had an impressive winning season. They ended the year with a 7-5 record along with Conference, District, and Regional Titles. Derald Williams and Zack Spratling were voted Captains of the year for the team. GOLF

What is golf? Webster defines golf as a game in which a player, using special clubs, attempts to sink a ball into each of the 9 or 18 successive holes on a course with as few strokes as possible. But golf is more than a game. Golf develops coordination and skill. Golf has been a sport at Wolfson since the 1965-66 school year. This year the sponsor is Coach Veleber and the captain is Jon Roobin. They hoped for a good season this year.

BASKETBALL

This year's Varsity Basketball Team was led by Coach Warner. Although they did experience some disappointing defeats, the dribbling Wolfpack never hesitated to do their best.

The team will be losing many valuable seniors after this year, but is looking forward to next year's promising juniors: Brad Martin, Homer Shoemaker, and Howard Murray.

Tremendous effort, excellent sportsmanship, and togetherness made this year's team one that will be remembered.

J.V. BASKETBALL

The J.V. Basketball team has had an up and down season. The J.V. has split with every conference team but two. One of its biggest wins came over 2nd ranked Fletcher at the beach. The J.V. won by a score of 56-44. Jeff Bailey, Phil Bernstein, Ron Hargett, Kevin Thompson, Dwayne Crews, and Doug Purvis have been the main scorers this season. Probably the best word to describe this season is inconsistency. Hopefully by next year these sophomores will cure this and contribute to a successful Varsity team.

GIRLS' BASKETBALL

The 1978-79 edition of the Wolfson Wolfpack Girls Basketball Team was a story of success from the very beginning. A seasonal record of 15 and 7 was highlighted by the Pack's victory in the District 4 Championship game over Fletcher; the score being 58 to 51. The All-Conference juniors were Cathy Gooding and Debbie Gilmore. These girls, along with Pam Stone and the top rebounder Belinda Brown, paced the Pack Attack. Sophomores Karen Smith, Barbara Banks, and Clara Taylor also played very important roles for the team. Debbie Gilmore averaged 12.4 points per game, Cathy Gooding 11.7, Pam Stone 11.0 and Belinda Brown 9.3. This winning season marked the first District Championship ever for any Wolfson basketball team.

Wolfson's Rah-Rah girls went to Florida State University for camp before school started. There they won 2 spirit frizbee contests and because they liked the idea they replaced the traditional spirit stick with the spirit frizbee. Among their other awards were: best stunts and pyramids, three superior ribbons, "sparkle and shine", and they became one of 5 squads to be in the Grand Championship Finals.

GYMNASTICS

LIMBERLEGS

Cries of pain were often heard, but in the long run it all paid off. Gymnastics takes a very special ability. It develops coordination and strength. This is Gymnastics first year at Wolfson. The gymnasts met every Tuesday, Wednesday, and Thursday, under the direction of Miss Taylor. Gymnastics did not officially compete this year, but next year they hope to go to the state meet. We wish them the best of luck.

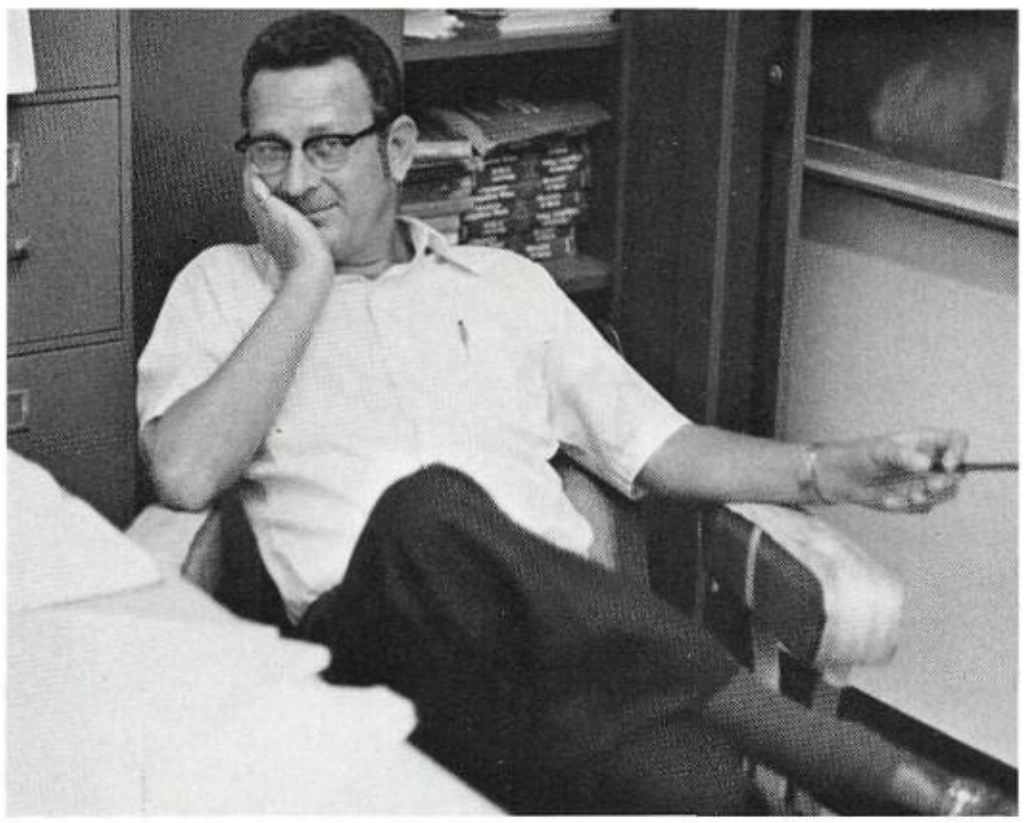
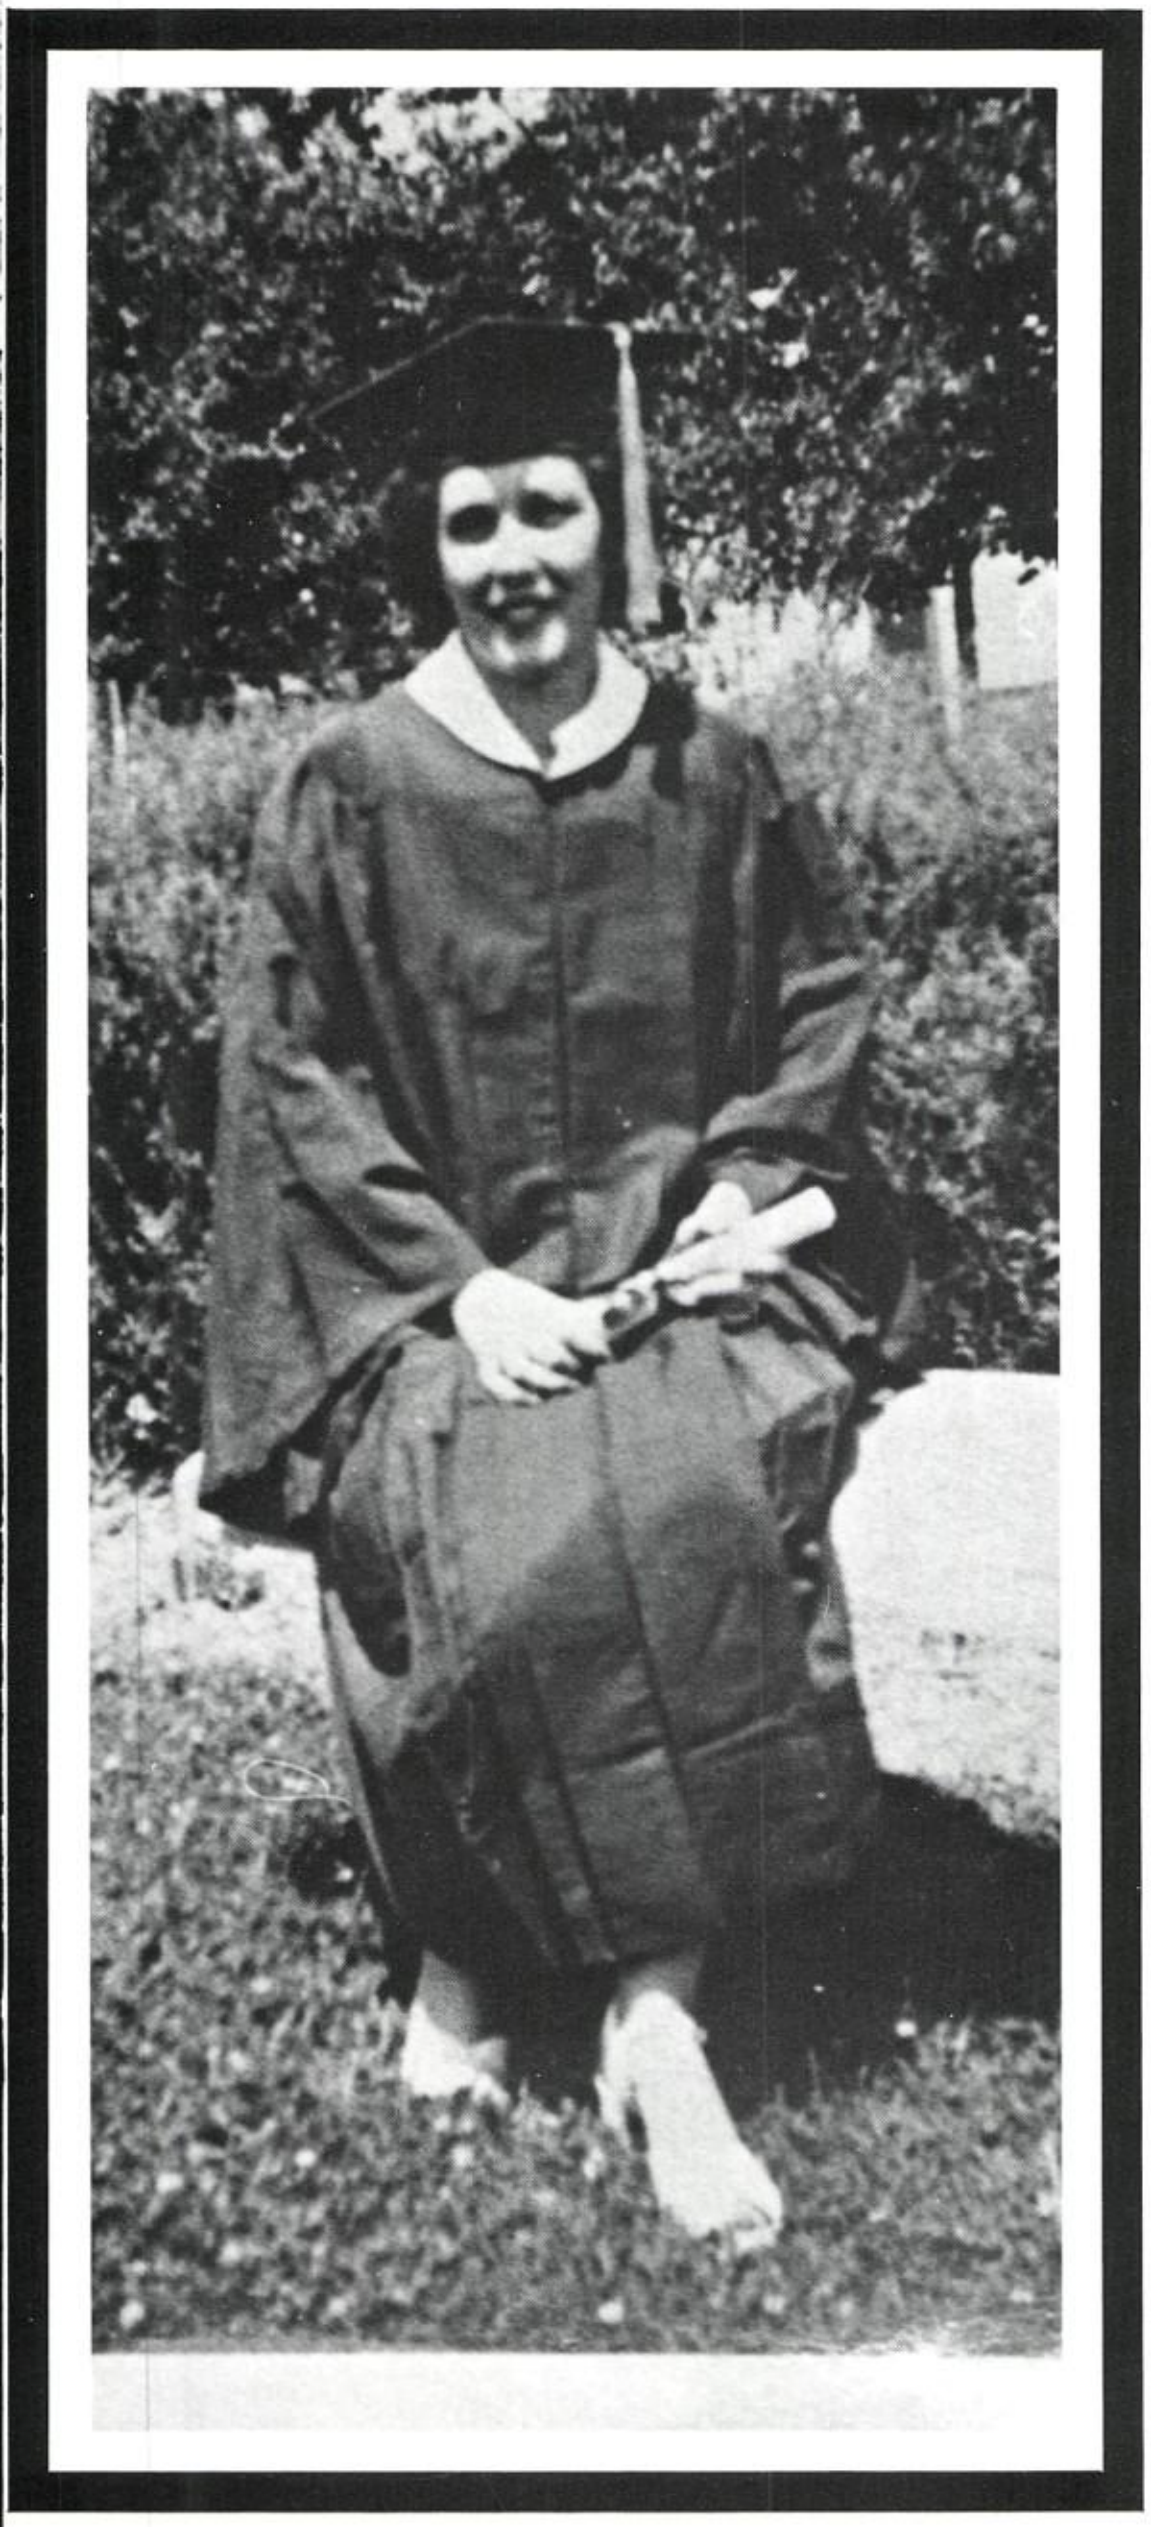
Faculty





MR. WHITE

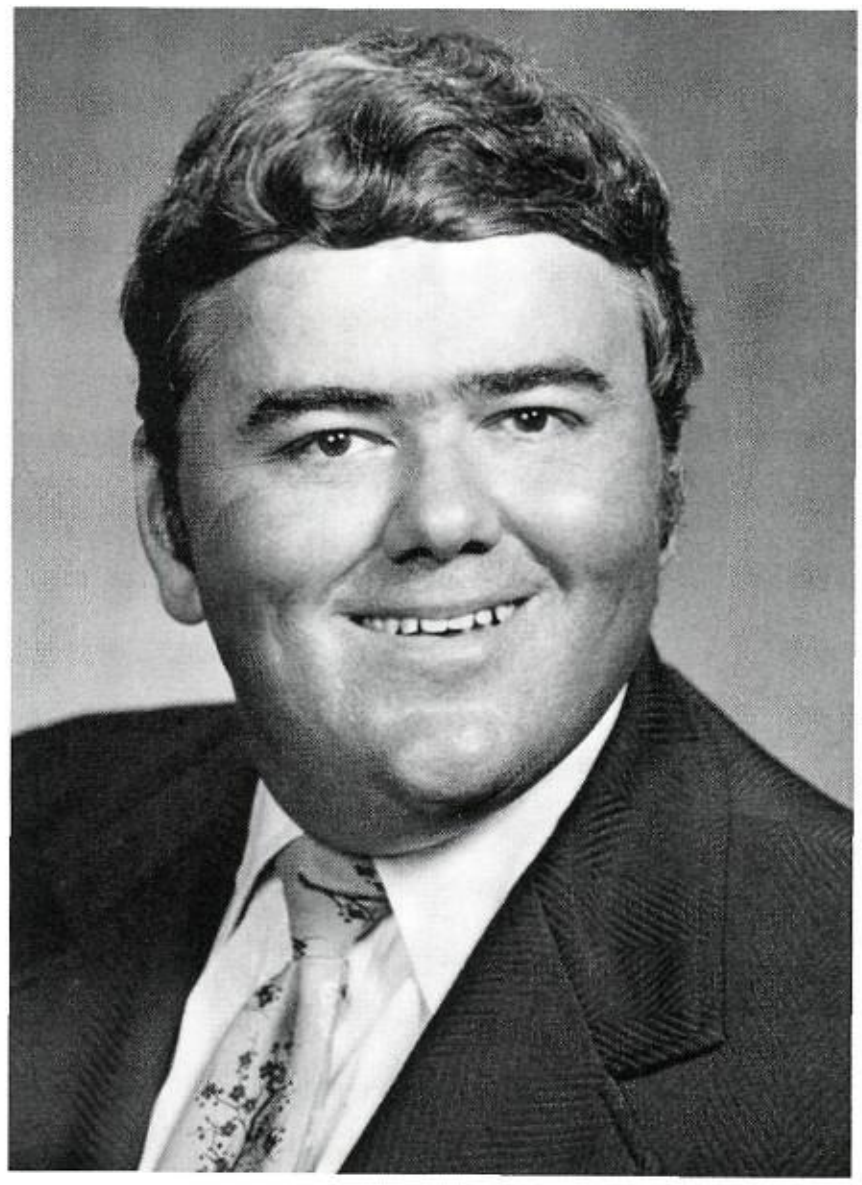
Mr. White, our principal, has experienced many beginnings.

Mr. White attended Port. St. Joe High School in Florida and at the time wanted to become an astronaut. He later, however, chose the field of education.

In 1971, Mr. White became the dean of Wolfson and served for two years. He began his career as a principal at Lee High School.

This year he marks another beginning in his life—the fulfillment of his dream to return to Wolfson as principal.

He hopes to make Wolfson the top school in the county and has brought about a number of changes in order to meet this goal. Teachers and students alike have found Mr. White to be a fair, conscientious, and hard working principal.



MISS SMITH

Miriam Jean Smith, our assistant principal, had beginnings in Jacksonville where she graduated from Landon High School.

Her ambition was to be a social worker and even though she went into education, in her role as administrator she uses the skills of working with and understanding people which she gained from her degree in Psychology.

Those who know her best say she has always been willing to give of herself to help others. Here at Wolfson we know this to be true.

Students at Wolfson are now experiencing a new dawn of understanding of self, personality, lifestyles, and goals. The faculty went through the same kind of changes and growth. On the following pages we have attempted to capture some of their beginnings. Turn the pages and see what we have found.

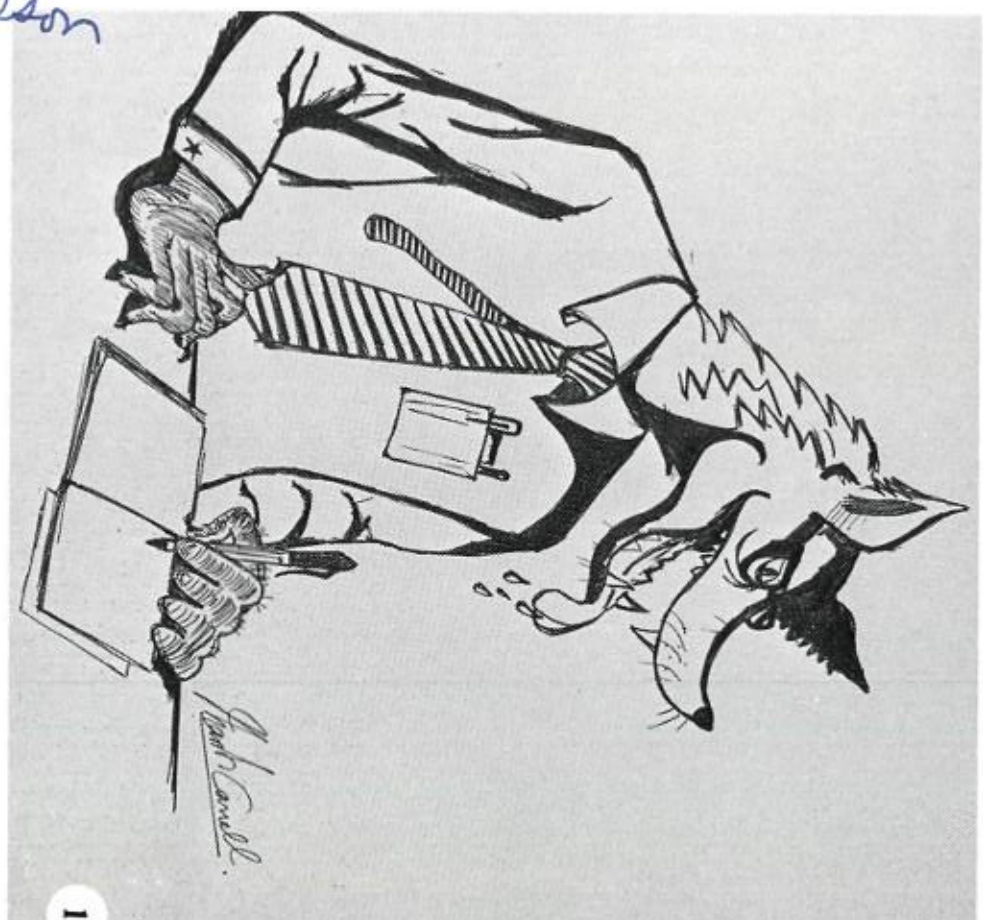
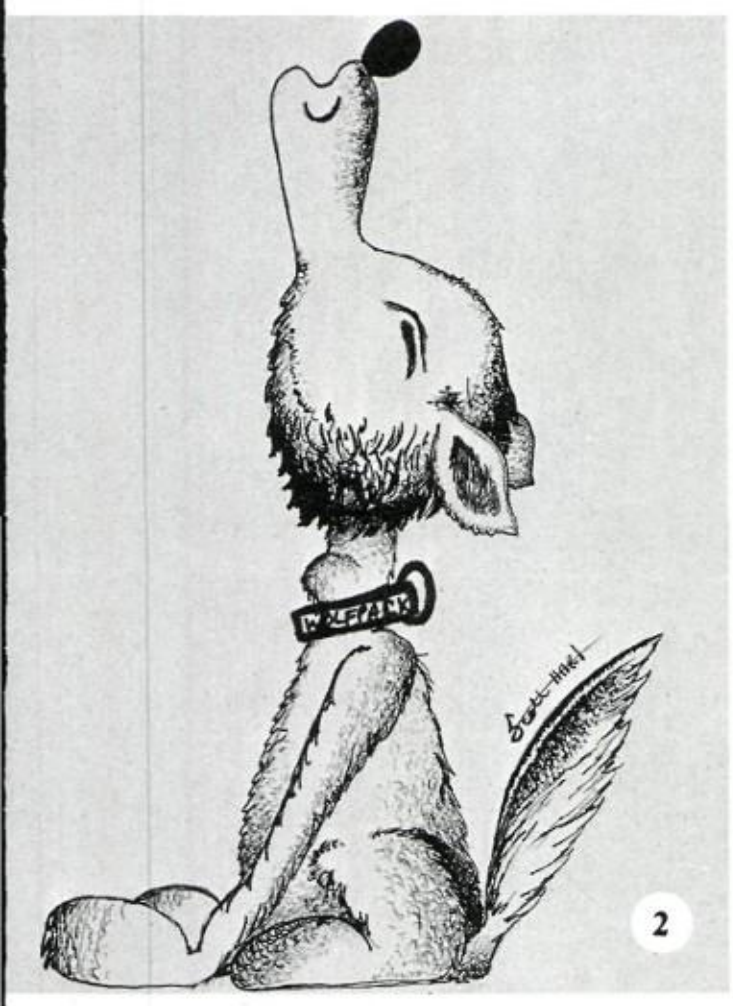
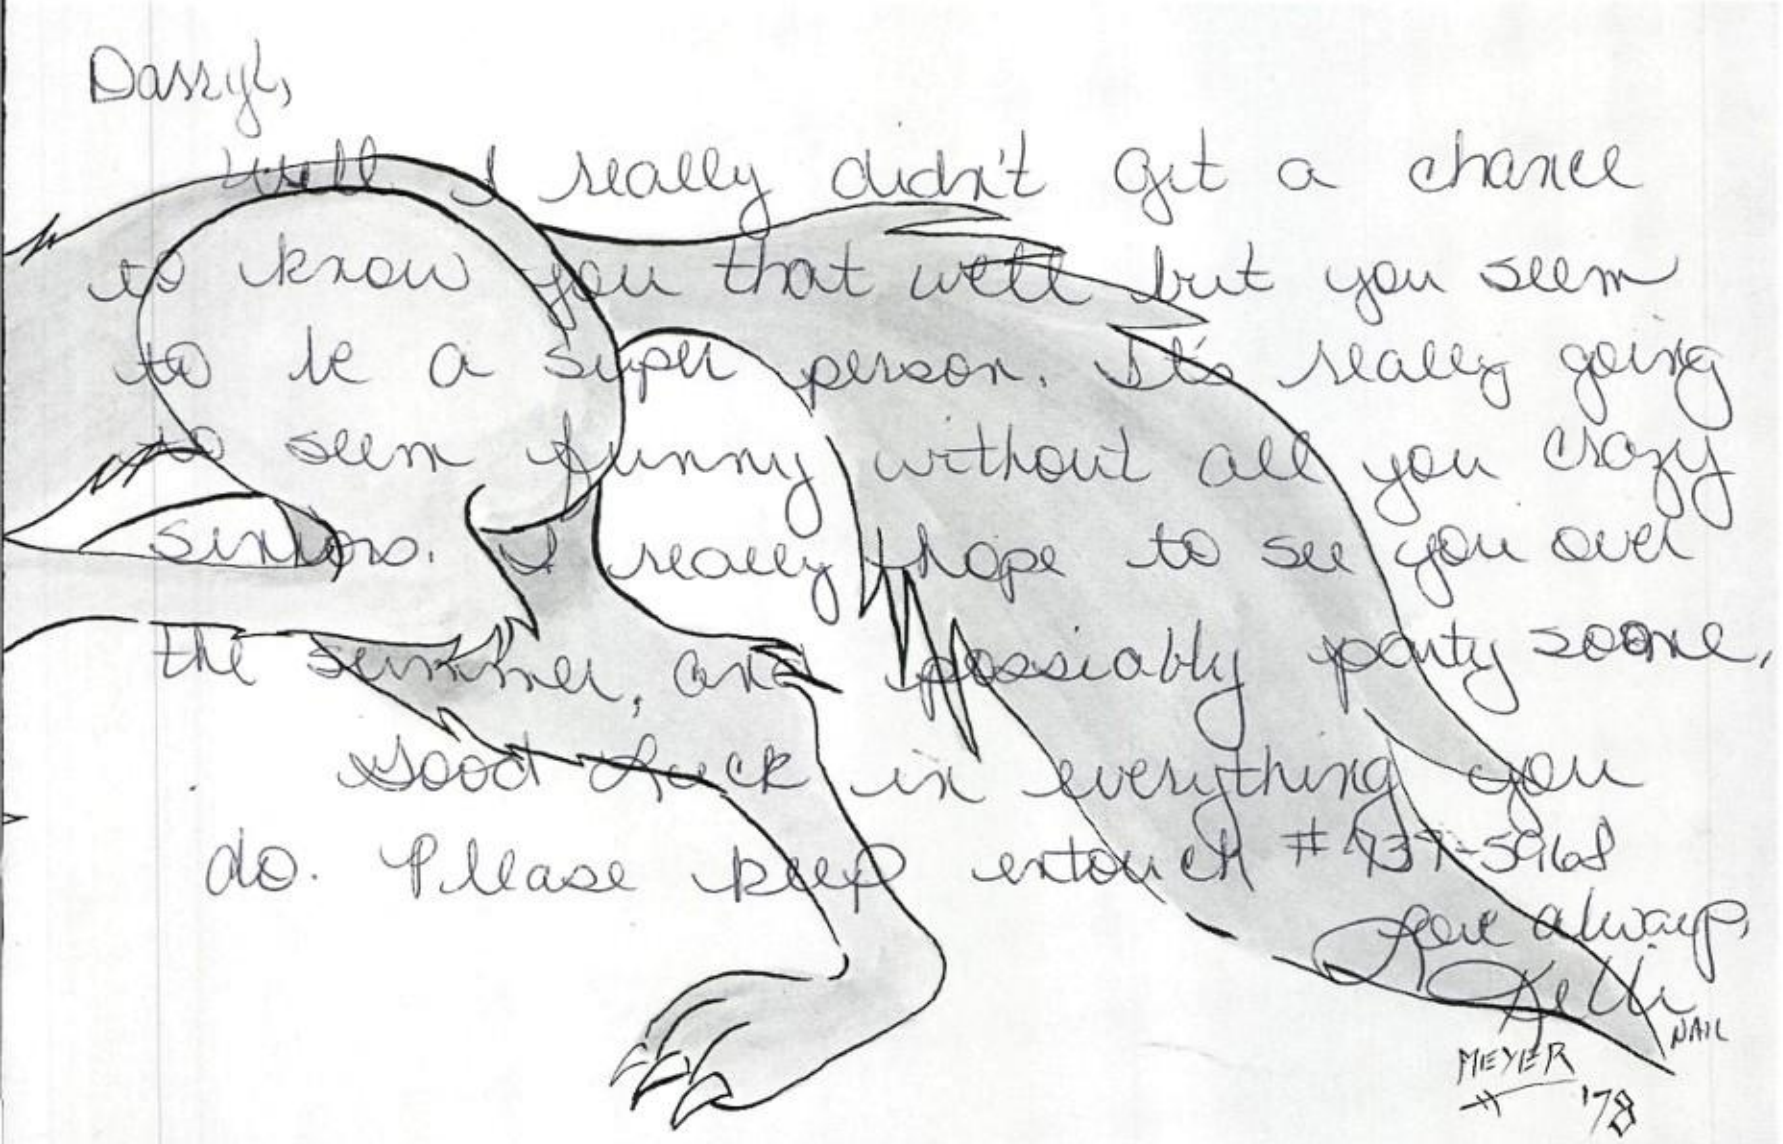
Darryl,
It was great getting to know you in Physics and Interact. You are an all-round person in that you're smart as well as a friendly person. I hope you have a great time at College, but don't go "too wild!" Have an unbelievable summer, and I hope I see ya around — take it easy
Jeff Nelson





These old walls have seen many people
as they passed this way.
We know not who they are,
or why they came,
or where they are today.
But they once walked in these old halls,
and sat in the same old places.
Their voices still linger in these walls,
and the building still remembers the faces.
Even though the fingers of time
try to sweep joyful memories away,
these old walls can still recall
the people of the day.



Darryl,
Well I really didn't get a chance
to know you that well but you seem
to be a super person. It's really going
to seem funny without all you crazy
sinners. I really hope to see you over
the summer, or possiably party soone,
Good luck in everything you
do. Please keep entouch #437-5964
Love always,

A Beautiful Moment

A beautiful moment
Is a moment
When we accept others
And love one another.
When a man
Or a woman
Sees beyond
Their outside appearances
And realizes
What he is seeing is a human being.
A beautiful moment
Is when sparks of love
—from the heart—
Reach out
To whoever's there.
A beautiful moment
Is a realization that You,
As a human being, are unique
In your own individual way.
A beautiful moment
Can be every moment.

This Game Of Life We Play

Where am I going What shall I do
When should I do it And why must I, too?

Questions and answers Places and time
Words with no meaning Poems that don't rhyme.

Life is a mystery A period of learning
The questions flow Like the seasons turning.

We all develop masks Like a second set of skin
None of us want to lose But we all can't win.

We strive to see the future And forget about the past
They say the old are too slow And the young are way too fast.

What is right or wrong Who can really say
Surely not you or I In this game of life we play.

Well, it's really been great this year, having a Blast, avoiding work whenever possible, & always always maintaining that all American image. See? I bet you didn't know I was a hussy. Brazen, to be exact. Anyway, have fun at Texas & always remember that we are the "intellectual elite." Take care

From the time that we take our first steps,
Until the time that we take our last . . .
We are on a journey.
Through-out our travels we encounter many things . . .
Joy and Sorrow
Love and Hate
Success and Defeat
The drawing of the final curtain
Should be thought of,
Not as an end to our journey,
But merely as the beginning of a New and different exploration of ourselves.
This experience should be the ultimate adventure
Of all our travels.

Dear Darryl,

Darryl;
Hasn't our senior year been a blast?
I think you've been a great Paw Print editor; which is obvious, since we somehow managed to pick up a 2nd place trophy somewhere in the shuffle! Amazing that our jungle class actually did something worthwhile ... but it has been fun! I'm glad that we've been friends throughout our highschool years ... I hope you are successful in whatever you do.
All my love,
Kelly Smith

Darryl,
Lord knows we've been through a lot of jokes and experiences! Somehow, college isn't going to be the same without you either behind or beside me, telling me of your "greatness" or either explaining what's going on. I think that in the past 2 years we've had more paper and staple fights than in my entire life! You're a fantastic editor (that took a lot) and you had lots of fun working with you (either about Coleman or anything else I can find). The free Disney World trip was great and the awards banquet was different and complaining with you really goes to your Mind! I swear I'll expand my 2nd place — it's a big Catholic words! year reunion be a stoned nun rising to the 10 I hope you always get what you want 'cause you deserve the best! Lots of luck and love,

Mary

ANN LAWSON

Daryl -

I don't believe that I am so honored to sign the yearbook of Wesson's most illustrious editor. It's been really great having you as a friend this year. Of course, everyone knows that if I wanted to, I could lift more than you can in the weight room. I wish you luck in whatever you decide to do. Have a nice life -

All my best -

Hugh Brantley

The ending of each year . . .
The evening of each day . . .
The close of each hour . . .
The last note of each song . . .
is an ending.
But . . .
With the coming of January also
comes a new year;
With the next ray of light also
comes a new day;
With the tic of the next second also
comes a new hour;
With the next note played also
comes a new song . . .
new moments . . .
new people . . .
new sorrows . . .
new memories . . .
New Beginnings.

This is my favorite page because it represents a part of our lives we will neva forget! Danyl, I swear I am so glad I got to know you this yea - you've made my senior year extra special with your extra special friendship. I'll never forget the good times like at Windsong and Wolfgang parties. We got to admit we've had some good times! Thank you so much for all you've done - I want to wish you the best of luck at school next year. Please keep in touch over the summer. I don't know what else to say - except "LOOK OUT FOR THE BARRICADES!"

Take care hun.

All my love,

Michelle Smith

Dear Daryll, ← spelling! Ha-Ha

After four years of friendship it's hard to say goodbye - especially so suddenly. Since you're going to Texas and I (my family, too) may live in Gainesville forever, it will be difficult to stay in touch. I guess the important thing is to move on and keep the memories. Thankyou for two memorable proms and many memorable occassions. I wish you the best of luck always and I feel sure you will do well in Texas and forever. Love always,

Ellen

Kimmar,
I was great going to the football game with you. I enjoyed the dance, too. I hope we can keep in touch. Keep up the good work in school. I hope you have a great time on the stadium. I hope you make the college you want. Good luck, and I also hope you have a great time on your trip. Have a safe trip, and I hope you get there alright.
Your friend,
Chris Miller

I Love,
I have only known you for a while, but I know you are a all right dude. I hope you will have a successful future.
Good Luck

The time that you first met me should give you something to remember me by. I'll remember the whole "Brewood Gang." We definitely know how to have fun and still do. Good luck at school you Longhorn. Hate to see you leave, but a man or anyone for that matter has to do what they feel is right, and you've definitely right. Just don't ever lose touch with us Florida Boys.
